April 2018

TRODAT PROFESSIONAL 4.0 Stronger. Cleaner. *Faster.*

Product advantages:

Easier text plate mounting

- Pre-assembled adhesive foam plate with positioning grid
- 0,5 - 2,5 mm elevated text plate holder
- Flattened handle - means the stamp can also stand on its head

Faster date height setting

- Central set screw allows adjustment of the date band height with just one spin

Individual company personalisation

- Larger index window
- Laser-engravable handle with interchangeable colour ring

Superior ergonomics

- Ergonomic handle
- Cushioning elements on handle and on feet reduce stamp vibrations
- Size & weight minimised

High-quality stainless steel

- Solid metal design made of sanded stainless steel for maximum stability & durability

Perfect imprint quality

- Optimised text plate guide ensures round, consistent stamp movement and perfect imprint quality

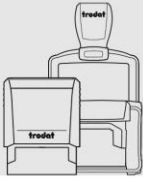

Fast & clean date setting

- Special grip zones on the feet
- Slim stamp design
- Wider date wheels with new band drive

Cleaner & easier ink cartridge change

- New finger guard guarantees clean fingers when changing the ink cartridge & setting the date
- Non-slip double grips allow optimal grip
- Optimised guide & locking system ensures easy ink cartridge change
